

MEYRINA. D

CYBERSECURITY STUDENT | EAGER TO LEARN

 +91 6369568543  Kanchipuram, Tamilnadu  meyrina2004@gmail.com  [Linked In](#)

OBJECTIVE

An engineering student with a focus on cybersecurity, seeking an internship or entry-level role to apply skills in network security, ethical hacking, and threat analysis. Passionate about securing digital systems and staying updated with the latest cybersecurity trends. Eager to contribute to a team and grow professionally in a dynamic, challenging environment.

EDUCATION

2022 - 2026

Sri chandrasekharendra
saraswathi viswa
mahavidhyalaya

Bachelor of Computer Science and
Engineering with cyber security
specialization (8.5 / 10 CGPA)

COURSES AND CERTIFICATION

- Cyber Security
- Ethical Hacking
- Java Basics
- MySQL Database
- Database Security
- Linux Basics
- AWS Basics
- Data Structures & Algorithms
- Java & Linux Training – Certified by IIT Bombay

PROJECTS AND ARTICLES

- **Paper Presentations** - Preventing Train accidents using CNN technique
Weather Forecasting Report with Real-time data
- **Article** - Role of AI Automating in Software Testing
- **Cod soft** - Basic Application Development
- **Project** - A Deep Learning model for Detecting Disease in Tea Leaves [Github Link](#)
- **Portfolio** Maintained a personal Google Site showcasing cybersecurity lab experiments and ethical hacking techniques.
[Experiments - Google sites](#)
- **Topics covered:** File hiding using Command Prompt, Recovering deleted files using FTK Imager, Steganography and basic digital forensics etc.
